In the **horizontal field events** the order of trials in the first round will be kept for the first 3 trials. The order of the trials in the final round will be the reverse order of the ranking after the 3rd round.

The heats are being arranged by considering as much information as possible about the performances of all athletes and the heats drawn so that, normally, the best performers compete in the same heat. In principle the distribution will be based on the athletes' season best

European Athletics Team Championships 2nd League Tel-Aviv 24-25.6.2017

performances. Results from the previous year major events (Finalists of Olympic Games or World Athletics Championships or Medallists in European Athletics Championships) can be also considered by the Technical Delegate for the purpose of the distribution per heats. This will be only applied in case an athlete has no season best.

4x100m and 4x400m relays, where relevant, will be staged in two heats of 6 teams each. The teams' distribution per heat will be according to the teams scoring standings 1 (one) hour before the scheduled time for each event. The best scored teams will compete in the same heat which shall be the last event of the session of track events. The results of the two heats are amalgamated, as according to the clause 2.4.2.

In case of 12 teams:

According to 2.4.1., races up to 400m inclusively (for Second League) and relays will be staged in two heats of 6 athletes each. The second heat (B) will contain the top athletes/relays according to 2.4.1. or 2.4.2.

In case of 12 teams lanes 2-7 must be used.

Lanes 4-5-6 will be allocated to top three athletes/relay teams according to 2.4.1. or 2.4.2.

Lanes 2-3-7 will be allocated to the remaining athletes/relay teams according to 2.4.1. or 2.4.2.

800m all athletes will start in lanes (2 athletes in lane 2, 4, 6, 8 according to draw)

The Technical Delegate will conduct the draw of the lane allocation after the final confirmations for 100m, 200m, 400m, 110m H, 100m H and 400m H.

For the relay races the Technical Delegate conducts the draw one hour before the races.

The clothing baskets will be brought to the kits collection area located after the mixed zone.

10.10 Scoring

The European Athletics Team Championships comprises one single competition where men's and women's teams represent as a single team the respective European Athletics Member Federation.

The winner of each individual event and each relay in each match shall score as many points as there are teams competing in the respective League, the second will score one fewer, and so on. Athletes or relay teams with no valid performance, disqualified or not finishing shall not score.

In case of heats the results of the two heats are amalgamated, with the athletes' times determining their placings. In case of a tie between athletes in the different heats for races up to 400m inclusively and relays the photo finish judge shall consider the actual times to the 1/1000th of a second. If the tie cannot be broken the attributable points shall be divided equally between them.

If two or more athletes tie for a place in any event, the attributable points shall be divided equally between them.

The team having the highest aggregate number of points shall be the winner of the European Athletics Team Championships 2nd League 2017.
